

Residential Trash & Recycling Collection Days

Stage 3 Watering Schedule

- Once-per-week watering, if necessary, based on Frisco's weather station data.
- Assigned watering day is based on location in the residential trash collection zone and on your regularly scheduled day.
- Watering prohibited 10 AM-6 PM during daylight saving time.
- Watering with drip irrigation, bubblers, and hand held hoses are permitted up to two hours daily.

Keep your sprinkler system turned off and check our website friscotexas.gov/water for watering recommendations or call the *Frisco Watering Line* at 972-292-5801.
